

# Parents and Young People

**Everyone is welcome at our events but in future you must be a member. Please tell your friends.**

Danson Youth Centre is a member only, activity based centre. Our disco events are highlights in our programme for our members. We are not a disco. When great numbers of young people who we do not know attend unexpectedly it results in administrative problems and delays. To prevent this from happening at future events please ensure you carry your membership card on the evening you attend or purchase a pre-paid ticket **prior to the day of the disco**. Every Tuesday, Thursday and Friday from 7pm the Centre is open for school year 7 onwards. You are encouraged to attend any, or all, of these sessions and enjoy other aspects of our programme and at the same time if you have paid membership you can collect your membership card and/or purchase the next event ticket.

You **MUST** carry your membership card at all times to benefit from discounted entry fees. If you attend without your membership card you will be charged as a visitor.

A full programme of activities can be found on the website Newsletters page.

# DISCO
