

DANSON YOUTH TRUST

RE-OPENING 2021

31st December 2020

Firstly, Danson truly hopes you all had a lovely Christmas (albeit different) and we take this opportunity to wish you a very happy, health and safe New Year.

Yesterday on Wednesday 30th December The Government updated the country on the situation regarding COVID. The latest announcement reinforced the Tier 4 restrictions introduced on Monday 21st December and instructed Primary Schools in our local area not to reopen before 18th January 2021.

Whilst we have continued to provide support groups at the Centre for families we have decided that with increasing levels of risk and the new restrictions imposed on schools *The Danson Centre will be closed for programmed activity from Monday 4th January 2021 until Sunday 17th January 2021.*

Only essential services at the centre will continue during this closure period and are accessible by appointment only with the relevant service. (i.e. NHS Blood & Plasma clinics / Maternity/ etc)

Government guidance permitting we will look to re-open from Monday 18th January 2021.

Our team will continue to monitor emails during this period. Should you require some support please do not hesitate to contact us. Those booked onto under 5 activities will be contacted via email; please check your junk mail.

We are sorry for any disappointment this may cause but we are sure that you will recognise that for the safety of all groups, families and staff must remain our priority at this time.

Stay safe through this challenging time and we will look forward to welcoming you back soon.

Joy Toghill
Chief Executive
Danson Youth Trust
